FamilyGuard™ Brand Disinfectant Spray

Designed to disinfect the hard, non-porous surfaces you use the most.

USE OVERVIEW

Use FamilyGuard™ Brand Disinfectant Spray on 100+ surfaces including doorknobs, faucets and garbage cans.

DIRECTIONS FOR USE

SHAKE WELL BEFORE EACH USE. It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

TO DISINFECT HARD, NON-POROUS

SURFACES: Spray pre-cleaned surface until wet. Allow product to remain visibly wet on surface for 5 minutes.

TO SANITIZE* HARD, NON-POROUS

SURFACES: Spray pre-cleaned surface until wet. Allow product to remain visibly wet on surface for 30 seconds.

TO INHIBIT THE GROWTH OF MOLD** AND MILDEW AND THEIR ODORS:

Spray pre-cleaned surface until wet. Let the treated surface air dry. Re-apply as necessary.

TO NEUTRALIZE ODOR-CAUSING

BACTERIA ON SOFT SURFACES: Spray pre-cleaned surface until damp. Allow the surface to dry completely before using it.

STORAGE AND DISPOSAL INFORMATION:

Store away from heat, sparks and open flame, in an area inaccessible to children.

DISPOSAL: This container may be recycled in the few but growing number of communities where aerosol can recycling is available. Before offering for recycling, empty the can by using the product according to the label.

DO NOT PUNCTURE! If recycling is not available, wrap the container and discard in trash.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Avoid contact with food and food utensils. Before using product throughout your home, use in one room and wait 24 hours to ensure that no one has any physical reactions to the product.

Asthma and Allergy Sufferers: Consult your physician before using this product in your home. Before spraying remove birds. After use, ventilate normally prior to returning birds to treated area.

FIRST AID:

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

ATTENTION: Use only as directed. Intentional misuse by deliberately concentrating and inhaling the contents can be harmful or fatal. Help stop inhalation abuse. For more information, visit www.inhalant.org.

PHYSICAL/CHEMICAL HAZARDS:

EXTREMELY FLAMMABLE: Keep away from fire, sparks and heated surfaces. Contents under pressure. Do not puncture or incinerate container. Exposure to temperatures above 120°F may cause bursting.

DO NOT USE ON BEDDING, MATTRESSES, CLOTHING, CARPET, LEATHER, SILK, rayon fabrics, polished wood, painted surfaces, lacquered metals or acrylic plastics. Spray may leave some hard floors slippery. To avoid slips or falls, do not concentrate spray over hard floors. **DO NOT SPRAY ON PETS.** Not for use on food contact surfaces.
