

Scrubbing Bubbles[®] Bubbly Bleach Gel

TOILET BOWL DISINFECTANT

- Kills 99.9% of viruses[^] and bacteria* on hard, non-porous surfaces.
- Reaches hidden germs[†] and grime under the rim.
- Foams and freshens

USE OVERVIEW

The Scrubbing Bubbles foaming bleach gel toilet bowl cleaner combines the power of bleach and the cleaning action of foaming bubbles in just one product.

- Brightens as it disinfects
- Hard working bubbles lift away dirt and grime as you brush
- Leaves a sanitary clean and fresh toilet

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1. Lift the toilet seat.
2. To remove the cap, squeeze the two textured side surfaces and unscrew completely.
3. Direct 10 ounces of liquid gel product under the rim and squeeze evenly around the bowl.
4. TO DISINFECT AND CLEAN: Allow to sit for at least 10 minutes.
5. Brush the entire bowl, then flush.
6. To close cap, turn to secure tightly until an audible click is heard.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Corrosive. Causes skin burns and irreversible eye damage. Do not get on skin, in eyes or on clothing. Wear goggles, face shield or safety glasses. Wear long-sleeved shirt and long pants, socks, shoes, and waterproof or chemical-resistant gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using restroom. Remove and wash contaminated clothing before reuse. **NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage.

FIRST AID, IF IN EYES:

Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing.

Rinse skin immediately with plenty of water for 15-20 minutes.

Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

For additional information on this product including health concerns, medical emergencies or pesticide incidents, you may call 1-800-558-5252. You may also contact the poison control center at 1-800-222-1222 for emergency medical treatment information.

PHYSICAL OR CHEMICAL HAZARDS

Combustible. Do not store near heat or open flame. Do not use or store near any oxidizing or reducing agents. Never use or mix with other household cleaners as hazardous fumes may result.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Protect from freezing. Store in a cool, dry place that is inaccessible to children and pets.

CONTAINER DISPOSAL

Nonrefillable container. Do not reuse or refill this container. Wrap container and put in trash or offer for recycling if available. If partially filled: Call your local solid waste agency or 1-800-529-3394 for disposal instructions.
